A-B Tech Community College - Technical Programs-Curriculum

2 Year Degrees

Accounting
Associate Degree Nursing
Automotive Systems Technology
Baking and Pastry Arts
Brewing, Distillation and Fermentation
Business Administration
Civil Engineering Technology
Computer Engineering Technology
Computer Information Technology
Computer-Aided Drafting Technology
Construction Management Technology
Criminal Justice Technology
Culinary Arts (name change)
Dental Hygiene
Diesel and Heavy Equipment Technology
Digital Media Technology
Early Childhood Associate
Electrical Systems Technology (name change)
Electronics Engineering Technology
Emergency Medical Science
Entrepreneurship
Fire Protection Technology
Healthcare Business Informatics
Hospitality Management (name change)
Human Resources Management
Human Services Technology
Industrial Systems Technology
Information Systems Security
Computer Integrated Machining (name change)
Marketing and Retailing
Mechanical Engineering Technology
Medical Assisting
Medical Laboratory Technology
Medical Office Administration
Medical Sonography
Networking Technology
Office Administration
Geomatics Technology (name change from Surveying Technology)
Radiography
Surgical Technology
Sustainability Technology
Therapeutic Massage
Veterinary Medical Technology
Web Technologies
Welding Technology

Diploma Programs

Air Cond, Heating & Refrigeration Tech.
Automotive Systems Technology
Business Administration

Construction Management - Building Construction Science
Dental Assisting
Diesel and Heavy Equipment Technology
Electrical Systems Technology (name change from abaove)

Foodservice Technology
Computer Integrated Machining (name change from above)
Medical Assisting
Medical Office Administration
Medical Transcription
Mobile Development
Office Administration
Pharmacy Technology
Air Conditioning and Heating - Advanced
Air Conditioning and Heating - Basic
Automotive Systems Technology - Certificate I
Automotive Systems Technology - Certificate II
Basic Law Enforcement Training
Central Sterile Processing
Computer Engineering Tech - PC and Network Maintenance
Computer Information Tech - PC Installation and Maintenance
Computer Information Tech - GIS Fundamentals
Computer Integrated Machining Technology - Basic
Computer Integrated Machining Technology -- CNC Programming
Digital Media Technology - Level 1
Digital Media Technology - Level 2
Early Childhood Certificate
Electrical Systems Tech - Electrical Wiring (name change from above)
Entrepreneurship
Esthetics Technology
Fire Protection Technology
Geomatic Fundamentals
Medical Office Administration - Medical Coding
Mobile Web Application Developer
Networking - Basic Network Administration
Networking - CCNA Preparation
Office Administration- Word Processing/Desktop Publishing
Office Management
Phlebotomy
Web Technologies - Database Management
Web Technologies - Web Designer
Web Technologies - Geospatial Database and Web
Web Technologies - Web Programmer Level 1
Web Technologies - Web Programmer Level 2
Welding - Basic Welding I
Certificate Programs
Nursing Assistant (Combines NA I & NA II training-This is a curriculum program)
Continuing Education - Credentialed Programs (Short-Term)
MSSC - Certified Logistics Associate
MSSC - Certified Logistics Technician
CDL - Truck Driver
Fundamentals of Automated Machining
Nurse Assistant I & II
OSHA - Forklift
OSHA - 10- Hour Safety
Business of Beer I & II (Cicerone certification)

Electronic Medical Records
