HOME HEALTH CARE AND HOME CARE HOUSEKEEPING

In-Home Assistance Agencies

These can generally be divided into three types: home health agencies, home care agencies and companion services. It is important to ask any agency to outline all of their services and programs to determine what might be pertinent for you.

Home Health Agencies

Provide comprehensive home health services such as skilled nursing, physical therapy, occupational therapy, speech therapy, medical social work and certified nursing assistants (CNA). They are generally Medicare-certified and usually also accept Medicaid as well as other insurances. Private pay arrangements are possible.
