Equal Opportunity Monitoring Guide Instructions

❖ **Workforce Innovation and Opportunity Act Providers** need to **be prepared to answer** the administrative and program sections of the Monitoring Guide during the on-site visit by Local Area Staff. These sections have changed very little from last year.

❖ This guide is intended to cover the personnel and equal opportunity responsibilities associated with the Title I Workforce Innovation and Opportunity Act services that your agency provides.

❖ Monitoring activities may also include work site visits, class site visits, and customer interviews.

❖ Following the review, the LA staff will review any findings that have been noted, review additional documents if necessary, and resolve as many issues as possible. **If appropriate, operators are expected to respond to any issues in dispute at this time.** A summary of this meeting will be recorded and maintained at the LA office.

❖ A written summary of the on-site, with any required corrective action, will be mailed to the operator following the review. The summary will include deadlines for corrective action and responses. Failure to comply with corrective action requirements in a timely manner may be referred to the Mountain Area Workforce Development Board for further action.

❖ The LA Monitor(s) will maintain complete monitoring records and will be responsible for tracking corrective action responses and any additional needed correspondence. Operators should contact the LA Monitor(s) directly with questions or comments. If necessary, Monitor(s) will direct inquiries to other appropriate staff.

EQUAL OPPORTUNITY
Monitoring Guide

Mountain Area Workforce Development Board
339 New Leicester Hwy, Suite 140
Asheville, North Carolina 28806
Equal Opportunity Monitoring Guide Instructions

❖ Workforce Innovation and Opportunity Act Providers need to be prepared to answer the administrative and program sections of the Monitoring Guide during the on-site visit by Local Area Staff. These sections have changed very little from last year.

❖ This guide is intended to cover the personnel and equal opportunity responsibilities associated with the Title I Workforce Innovation and Opportunity Act services that your agency provides.

❖ Monitoring activities may also include work site visits, class site visits, and customer interviews.

❖ Following the review, the LA staff will review any findings that have been noted, review additional documents if necessary, and resolve as many issues as possible. If appropriate, operators are expected to respond to any issues in dispute at this time. A summary of this meeting will be recorded and maintained at the LA office.

❖ A written summary of the on-site, with any required corrective action, will be mailed to the operator following the review. The summary will include deadlines for corrective action and responses. Failure to comply with corrective action requirements in a timely manner may be referred to the Mountain Area Workforce Development Board for further action.

❖ The Monitor(s) will maintain complete monitoring records and will be responsible for tracking corrective action responses and any additional needed correspondence. Operators should contact the Monitor(s) directly with questions or comments. If necessary, Monitor(s) will direct inquiries to other appropriate staff.
